'LET'S CAPTURE THE MEMORY'

• Didcot A power station (Picture by 6point75) and (inset) Glyn Hall

By **Jack Johnson**
jack@taylornewspapers.co.uk

A MEMBER of Didcot Chamber of Commerce is calling on RWE npower to allow the demolition of the town's cooling towers to be filmed.

Glyn Hall, vice president of the town's Chamber of Commerce, wants to ensure there is a lasting memory of Didcot A, which has been an iconic part of the town for over 40 years.

Local business Concept Filming are said to soon have access to a drone and would be able to capture the demolition of the cooling towers from the air.

Mr Hall, owner of Didcot-based print management company CFL, would like to see the footage go up on the Chamber of Commerce, town council and Didcot First websites.

"This is as an opportunity for npower to do their last final act of community support, by giving us this chance to see the demolition from a unique angle," he said.

"If it isn't recorded, once it is done, it will all be forgotten.

"You talk to anybody who has a relationship with Didcot and just getting here, whether its by train or by car, you know you're nearby because you've seen the towers.

"It's the first thing that comes into your sight line and it's a welcoming view. Consequently, it's memory should be taken and it should be filmed as it's coming down."

RWE npower submitted a planning application for the demolition of Didcot A to Vale of White Horse District Council on February 20.

While demolition is set to begin at the end of this month, no dates have been set for blowing up the southern and northern cooling towers.

Spokesperson Kelly Brown said: "We have not given permission to any film crew to access the site for filming the demolition of the cooling towers. We are in the process of planning the date at the moment.

"We are also investigating options for the most fitting memorial for the site. We have had many filming requests, and we understand that people are interested in the demolition of the power station, however demolition is a very complex process that requires pre-planning.

"Our prime concern is to bring down the cooling towers in a safe and controlled manner."

Cops: stay wary of frauds and scams

RECENT courier fraud incidents have forced Thames Valley Police to encourage members of the public to be extra vigilant in the face of scams.

The latest con involves victims handing over their bank card, because they have been told it has been compromised, to couriers.

Between February 27 and March 5, three people in their 80s were targeted with two of them losing money.

An 80-year-old had £8,000 stolen from his account while an 86-year-old had over £1,600 taken.

By Jack Johnson
jack@taylornewspapers.co.uk

The third victim, another 80-year-old, was targeted last week but became suspicious and called the police.

Officers say victims receive a phone call from someone stating their bank card has been compromised.

They are asked to call back on the number on the back of the card but the offender does not hang up.

Unknowingly, the victim speaks to the same person who takes their card details, including the pin.

Offenders then tell the victim to put the card in an envelope and hand it over to a courier who has come to pick it up.

Investigating Officer, Det Con Darren Little said: "If you receive a call like this make sure you call the police using a different phone line to the one you received the call on."

Det Con Little added that taxi firms "are being innocently used to collect and deliver the packages to a London destination".

He continued: "On two occasions the taxi companies have become suspicious when collecting the package and contacted us, resulting in the packages being intercepted and not being delivered to the offender.

"If you have also been a victim and not reported it yet, or had someone attempt the same or similar scam on you, then also get in touch."

Police wish to remind people that banks will never ask for your pin or bank card and if you receive such a call you should end it immediately. You can report any incidents to 101 or, if the crime is in action, 999.

Authorities fly the flag

OXFORDSHIRE County Council joined authorities, dignitaries, groups and charities across the country by honouring Commonwealth Day earlier this week.

Council chairman, Cllr Timothy Hallchurch MBE, raised the Commonwealth flag at the front entrance to County Hall on Monday morning.

The event is part of an initiative that encourages communities to associate themselves with the widespread public expression of commitment to the Commonwealth.

It is also designed to urge people to appreciate the values it stands for and the opportunities offered to its citizens around the world.

Cllr Hallchurch MBE said: "It is a great honour to raise the Commonwealth flag on behalf of Oxfordshire.

"Our county, with its vibrant and diverse communities, epitomises people coming together to celebrate our shared values."

The Commonwealth is made up of 53 sovereign states, working together in mutual support towards shared goals of democracy, development, and respect for diversity.

Omega-3 levels linked to getting better sleep

AN OXFORD University study suggests the more omega-3 DHA fatty acids we consume, the better we sleep.

Researchers have explored whether 16 weeks of daily supplements of algal sources would improve the sleep of 362 children, aged between seven and nine-years-old.

The study showed that the children had 58 minutes more sleep and seven fewer waking episodes per night.

Co-investigator Dr Alex Richardson of Oxford University said previous studies showed blood levels of omega-3 DHA in seven to nine-year-olds were "alarmingly low".

He added: "This could be directly related to the children's behaviour and learning.

"Poor sleep could well help to explain some of those associations.

"Further research is needed given the small number of children involved in the pilot study.

"However, this randomised controlled trial does suggest that children's sleep can be improved by DHA supplements.

"It indicates yet another benefit of higher levels of omega-3 in the diet."

Fire walk set to raise money for charity

MEMBERS of the public are being encouraged to hotfoot it over to Oxford City FC this weekend for a charity Fire Walk.

From 5.45pm on Saturday, willing volunteers will put mind over matter and walk barefoot over burning coals.

Money raised on the evening will go to Helen & Douglas House, SeeSaw, Aspire, Sobell House and Special Effect.

There will also be refreshments on the day, as well as entertainment and an inspirational talk before you walk across the coals.

Mary Boullin, head of Community and Events at Helen & Douglas House said: "I've managed to avoid taking part in our events before but this sounded like too good an opportunity to miss as there's no need for a long training schedule.

"I'm getting all fired up for it already and looking forward to raising lots of money for the children and young adults that we support at our fantastic charity."

If you would like to take part in the Fire Walk call Helen & Douglas House on 01865 799150.

Takeaway staff set for deportation after raids

SEVENTEEN illegal workers face deportation following raids on a number of Didcot businesses last Thursday.

Acting on intelligence, Home Office Immigration Enforcement officers visited six restaurants and takeaways on Broadway.

Officers encountered 20 illegal workers, arresting 17, from Indian Dreams, Kolkata, Broadway Spice, Angel Falls, Prince of India and Spices Tandoori.

"It is a stark warning to businesses in Oxfordshire which either deliberately employ people with no right to work or fail to carry out the legally required checks on their staff," said Paul Smith, head of the Thames Valley & Surrey Home Office Immigration Enforcement team.

"We will catch up with you and you should expect to face heavy financial penalties.

"Illegal working has a negative impact on communities.

"It defrauds the taxpayer, undercuts honest employers and cheats legitimate job seekers out of employment opportunities."

By **Jack Johnson**
jack@taylornewspapers.co.uk

Five Bangladeshi men, aged between 27 and 38, were arrested at Indian Dreams - four had overstayed their visas while another had entered the country illegally.

Officers also found three other Bangladeshi men working illegally but they were not arrested.

Five men aged between 25 and 50 were also arrested at Kolkata as well as three men, aged 30, 37 and 44, from Broadway Spice.

A 24-year-old Bangladeshi man, who was working in breach of his visa conditions, and a 25-year-old Pakistani man, who had overstayed his visa, were arrested at Angel Falls.

Officers also arrested a 39-year-old man at the Prince of India.

All those arrested have been detained pending removal from the UK, with the exception of two arrested at Indian Dreams and the individual arrested at Spices Tandoori.

These men have been placed on immigration bail and will also face removal from the UK if found to have no leave to remain.

The three men working illegally at Indian Dreams, who were not arrested, must also now report to the Home Office while their cases are progressed.

All the businesses have been served notices warning that a civil penalty of up to £10,000 per illegal worker found will be imposed unless proof is provided that the correct right-to-work checks were carried out.

This equates to a potential total of £200,000 across the six businesses.

Anyone with information about suspected immigration abuse can contact the Home Office or call Crimestoppers anonymously on 0800 555 111 or www.crimestoppers-uk.org.

CCTV released after sexual assault

POLICE have issued a CCTV image of a man they would like to speak to in connection with a sexual assault in Didcot towards the end of last year.

At around 3.30pm on December 16, a woman in her 30s was approached by a man who touched her inappropriately.

She was walking in the alleyway between Station Road and Cronshaw Close at the time of the assault.

Det Con Thomas Smalley said: "If anyone recognises the man in the CCTV image then we would ask them to call us as a matter of urgency."

If you have any information contact Det Sgt Tony Maddison via the Thames Valley Police Enquiry Centre on 101.

Alternatively, you can call Crimestoppers anonymously on 0800 555 111.

Cloudy2Clear Windows – Service With A Smile!

It's been a crazy few months for Cloudy2Clear Windows. The company which specialises in repairing windows which are steamed up, broken or damaged by replacing the panes – not the frames has grown rapidly as homeowners take advantage of their services.

Managing Director Josh Florey feels that it's all about service. 'Our product is simple. If your double glazing is misted up we can replace the glass at a fraction of the cost of a new window, in any type of frame, and with a new 10 year guarantee. But it's not just about saving people money, although that obviously helps.

Many tradespeople have struggled since last year and I honestly feel that during the good times a minority perhaps didn't focus on customer care as much as they should have done. We make sure we turn up when we say we will, do the job the customer requires and leave their house as clean as a whistle. I often get comments back from customers on how they really didn't expect that sort of service which, in a way, is very sad for the service industry as a whole.'

Cloudy2Clear service Oxfordshire from their local depots and Josh is finding that his approach is a major factor in his success. 'The truthis that it's not just the personal satisfaction that I get from doing a good job but also it makes good business sense. I get a huge amount of business from friends and family of people I've done work for, which just goes to show how much a little bit of effort is appreciated.'

Martha death: Teen gets youth rehab order

A TEENAGER from Botley has been sentenced after dealing the class A drugs that led to the death of a 15-year-old girl in Oxford.

Alex Williams, 17, who can be named after legal restrictions were lifted, has been given an 18-month youth rehabilitation order with a 90 day curfew.

He pleaded guilty to dealing class A drugs, namely a gram of MDMA, at Oxford Crown Court on Monday.

On July 17 last year, Williams sold the drugs to a group of four girls in Gloucester Green, Oxford.

Martha Fernback collapsed in Hinksey Park after taking some of the drugs on July 20.

She died a short while later at the John Radcliffe Hospital and the subsequent investigation showed the cause of death to be MDMA toxicity or poisoning.

Further analysis of the remaining drugs seized showed purity levels of around 91 per cent.

The average purity of MDMA seizures in the Thames Valley between May and September 2013, was 58.5 per cent.

Det Con Matthew Hodgetts said: "This is a tragic case, but it was not simply an accident.

"Those dealing MDMA must be aware that it is potentially fatal, especially since the purity can be so hard to assess.

"Williams took that risk anyway, all for £20 profit.

"I can only hope that he and others like him think more about the consequences of their actions to avoid this terrible event from happening again."

A family statement, released last year, described Martha as an "extraordinary, effervescent human being."

Have a say on social care

PEOPLE who use adult social care across Oxfordshire are being invited to have their say on its services at an event tomorrow.

A Hearsay event, facilitated by Healthwatch Oxfordshire, offers residents the opportunity to meet with representatives of the county council.

Service users, their families and their carers are welcome to share their views on service provision, improvements, and future priorities.

David Roulston, director of Healthwatch Oxfordshire, said: "We are working closely with the county council to gather views from local people about adult social care and hear about their experience of using these services.

"Hearsay is open to all and we look forward to hosting a productive event."

Tomorrow's meeting will be the fifth of its kind in Oxfordshire.

John Jackson, director of Social and Community Services at the county council, said: "We are committed to taking action to help improve adult social care in Oxfordshire.

"This next event is an opportunity for people to hear about developments and continue to shape local adult care services."

Spaces are limited and to book a place, call 01865 520520.

Bicester's best pals strut their stuff at Crufts

A BICESTER boy and his life-saving dog strutted their stuff at Crufts this weekend appearing in the main ring in front of hundreds of fans.

Steven Courtney, 11, and cocker spaniel Molls were nominated for the Friends for Life award at Crufts, which saw more than 21,500 happy, healthy dogs at the NEC in Birmingham for the world's biggest dog show, presented by the Kennel Club.

By **James Booker**
jamesb@taylornewspapers.co.uk

It came as a result of a remarkable bond between the pair, which sees Molls help Steven, a type 1 diabetes sufferer, stay safe by alerting him to changes in his blood sugar levels through her sense of smell.

Running since 2006, the Friends for Life award celebrates stories of friendship through adversity between dog and owner, with Stephen and Molls going up against four other finalists on live television for a public vote.

And while falling just short in the overall title Stephen, who attends Five Acres Primary School, insisted it was a day to remember for both him and his beloved pet.

"We've been to Crufts for three years now, it's really busy and noisy but it was great to go into the main arena this time around," said Steven. "I really enjoyed seeing all the different types of breeds of dogs.

"I was really excited that Molly had been nominated for the final, I think she is totally amazing.

"She comes everywhere with me, and alerts me when my blood sugar levels go too high or too low by jumping up and licking and fetching my bloody glucose metre.

"She's always happy and cheerful, everyone in my family loves Molls and they all think she is amazing like I do. She's a winner for me."

Rededication

THE churchyard where the body of teenager Jayden Parkinson was found will be rededicated on Sunday.

The Bishop of Dorchester, Rt Revd Colin Fletcher OBE, will lead the ceremony at All Saints Church in Didcot.

Service will start at 4pm.

Shops 'to be dementia friendly'

OXFORD'S high streets are set to become more dementia friendly following a commitment from businesses to back a new Alzheimer's Society initiative.

Staff at Homebase, Argos, Marks and Spencer and Lloyds Banking Group will become 'Dementia Friends'.

They will learn about how they can make a difference to people living with the condition in the local community.

The initiative follows a recent Alzheimer's Society study which reveals that one in four people with dementia have given up shopping since being diagnosed.

Alzheimer's Society is now calling on other Oxford businesses to be more 'dementia friendly' by offering sessions to their staff, or by joining their local Dementia Action Alliance.

Angie Newing, Alzheimer's Society's regional director for the South, said: "Many people with dementia tell us that shopping and visiting their local high street can be very stressful.

"But this announcement brings us a step closer to becoming a dementia friendly society.

"We applaud Argos, Homebase, Marks and Spencer and Lloyds Banking Group on their commitment to help their staff in Oxfordshire understand more about dementia.

"Dementia Friends will enable people to feel more independent when they go out."

Oxford tower block plans shown

ENHANCED plans for improving the city's tower blocks will be on show next week as designs move closer to being finalised.

Evenlode, Foresters, Hockmore, Plowman and Windrush Towers are set to be improved as part of an Oxford City Council programme.

Plans include external appearance, colour preference for cladding and landscaping.

Tenants, leaseholders and the local community will have the opportunity to choose their preferred options by completing a survey.

Cllr Scott Seamons, board member for Housing said: "The extensive works we have planned for the tower blocks take time to design so we make sure we get it right.

"At the previous set of consultations residents were incredibly positive and their thoughts have been incorporated into our thinking. I encourage residents of the blocks and those from their wider communities to come, take a look, and share their thoughts as we finalise designs ahead of next year's works."

Consultations will take place at Plowman (March 17), Foresters (March 18), Hockmore (March 19), Evenlode and Windrush Towers (both March 20).

Joker Adam 'touched the hearts of us all'

THE cortege of a soldier killed in Afghanistan last week will pass through RAF Brize Norton this afternoon.

Sapper Adam Moralee, 23, died last Wednesday (March 6) after being injured while preparing equipment for redeployment out of the country.

The Newcastle-born soldier, from 32 Engineer Regiment, leaves behind parents Lynn and Darren, and fiancee Emma.

A statement from his family said he was 'always the joker' who 'touched the hearts of all of us'.

"Adam was a loving son, fiancé and friend who touched everyone's hearts that came into contact with him," they said.

"As a son he was full of life and always the joker of the family, who never took anything too seriously.

"He loved his job and the friends he made from his time in the army, and he would never have swapped those experiences for the world.

"He treated his fiancée, Emma, like his princess and the love they shared was clear to all of those who were lucky enough to see it.

"To be his wife would have made Emma feel like the luckiest girl in the world and they were each other's one true love and soul mates.

By James Booker
jamesb@taylornewspapers.co.uk

"Adam touched the hearts of all of us who were lucky to know him and not a day will go by where he is not in our thoughts and hearts."

Sapper Moralee joined the Royal Engineers aged 17 in January 2008.

His commanding officer, Lieutenant Colonel Steve Davies, added: "Quietly determined and utterly dedicated, Sapper Adam Moralee was an outstanding soldier."

Norton Way will be closed from around 1.30pm, while Station Road will be closed for 10 minutes as the cortege leaves Britannia Gate. The cortege will pass the Memorial Garden at approximately 4.00pm, reaching the John Radcliffe Hospital approximately 4.45pm

Delays are to be expected as the cortege travels to the John Radcliffe Hospital, with closures in place at the Marston Road and Cherwell Drive junction and the Marston Ferry Road and Cherwell Drive junction.

Mayor's Column

Axel MacDonald
Mayor of Didcot

Civic Ball - A big thank you

MARCH seems to have brought drier weather and spring appears to be with us. The Civic Ball was well attended and raised around £1,800 for my chosen charities – a humble thank you to all who attended and contributed to such a full and great evening! The Civic Ball comes towards the end of my term as mayor but we still have the Annual Town Awards evening and Town meeting to come. The Annual Awards evening is on March 26 at the Civic Hall and I hope you the reader will be able to make this. The Annual Town meeting will be on May 7 and is a chance for the town's residents to meet with the Council and ask questions. It should be borne in mind that the Town Council is responsible for allotments, parks and cemetery in the town plus some leisure facilities. The matters that most are concerned with, for instance the poor road surfaces in town and speeding down Wantage/ Abingdon/ Park roads are dealt with by other authorities. However the Town Council is aware of various issues and will pursue these at District and County levels although it seems a very slow process! The Annual Volunteers Fair was held at the Civic Hall on March 8, organized by the Rotary club but I noted a downturn in visitors and stalls. Those who were there were very enthusiastic and this made up for the reduction in stalls. Lastly there has been some discussion and consultation to purchase land for the town, partly to provide permanent homes for our enterprising sports clubs. Part of the process to continue with the purchase (still being discussed by council) includes public meetings – please look out for these and attend so the council can hear your opinions. As it stands we don't have sufficient leisure space for the current residents of Didcot, as the town continues to grow it is important that land for leisure facilities keeps apace.

Care facilities get green light from Cherwell

PLANS to provide nursing and care facilities across two specialist buildings in Adderbury have been given the thumbs-up by councillors.

Last Thursday, Cherwell District Council's planning committee granted permission for land to be developed north of Greenhills and Adderbury Bowls Club off Oxford Road.

Councillors gave the green light for the construction of an elderly nursing home and outlined consent for the creation of an extra care facility.

Cllr Michael Gibbard, lead member for planning, said: "This application sought permission to develop the site in two stages.

"The first will involve the construction of the nursing home and once this is up and running, the extra care facility would be built.

"A recent report by Oxfordshire County Council revealed demand for extra care housing exceeded supply in the north of the district so hopefully this development will go a long way towards meeting that shortfall.

"Furthermore, the creation of 80 new jobs fulfils requirements set by the National Planning Policy Framework to create more employment in rural locations."

By James Booker
jamesb@taylornewspapers.co.uk

The 60-bed nursing home would create 65 new jobs, and be built by Leonard Cheshire Disability and Gracewell Properties across three floors.

Residents' accommodation would consist of en suite bedrooms with shared lounge, dining, bathing and activity facilities.

Twenty-six car parking spaces would be included, as would, spaces for a doctor, mini bus and ambulance.

Once the nursing home is operational, the extra care facility would be built across an area of 3,450 sqm.

The extra care facility development is designed to provide accommodation for those elderly people who wish to remain independent but who may need some care or support.

While the number of bedrooms is still to be confirmed, the self-contained accommodation units are expected to consist of two bedrooms, a kitchen, bathroom and living area.

Upon the care facility opening, a further 15 jobs would be created offering support to the extra care facility residents.

Teen gets two years' detention after admitting drug charges

A 19-YEAR-OLD man has been sentenced to two years' detention after being convicted of supplying class A drugs in Bicester.

Omari Watson, of Blenheim Gardens, Wembley, London, was sentenced at Oxford Crown Court last week.

Watson was convicted at Banbury Magistrates' Court in February.

He pleaded guilty to counts of possession with intent to supply heroin and crack cocaine.

Police searched Watson in a flat in Wesholm Court, Bicester, on February 3 where they found 20 wraps each of heroin and crack cocaine concealed in his underwear.

Sgt Stephen Willis said: "This young man travelled from London to Bicester with the intention of selling these class A drugs in the local community. His arrest and subsequent imprisonment demonstrates that this type of behaviour will not be tolerated and the police will continue to work with our communities and take action against those who deal drugs."

Oxon's museums get £300k funding boost

FOUR county-based museums have been awarded grants totalling over £300,000 as part of the Arts Council's funding scheme.

The Ashmolean Museum of Art and Archaeology, Oxford University Museum of Natural History, River and Rowing Museum Foundation, and Banbury Museum will all benefit from a proportion of the £327,274 of funding.

The Renaissance strategic support fund and Designation development fund are part of Arts Council England's total investment programme for regional museums in England.

Hedley Swain, area director for the South East at Arts Council England, said: "Across both funds we have seen some really innovative projects.

"They will strengthen the resilience of the successful museums and improve audience engagement, creating greater accessibility to the wonderful collections each holds. We are particularly delighted to see so many museums making the most of digital technology and harnessing it to create more accessible experiences, for all museum users."

The Ashmolean Museum of Art and Archaeology and Oxford University Museum of Natural History were successful in securing money from the Designation development fund.

By Jack Johnson
jack@taylornewspapers.co.uk

Well known for being the oldest museum in the UK, the Ashmolean's project involves reconfiguring the existing gallery space to display Michael Wellby's bequest of silver, goldsmith's work, and Kunstkammer objects.

Meanwhile, the Museum of Natural History will transfer its collections documentation database into one single central management system.

The River and Rowing Museum Foundation and Banbury Museum were among 57 organisations to receive money through the Strategic support fund. In partnership with Langley Academy, the River and Rowing Museum in Henley will have a series of teacher and museum champions.

Banbury Museum will use the money to build its fundraising activities, capacity and resources.

Hindu colour festival celebration

AN OXFORD hotel is holding its inaugural Holi Festival of Colours event this Saturday to celebrate the arrival of Spring.

Holi is an ancient Hindu festival which celebrates love and colours and the Tree Hotel in Iffley sees it is a great way to wave goodbye to winter.

"This is going to be a fantastic way to bid farewell to the miserable winter, and to celebrate the arrival of spring," said managing director Kavita Pal.

"Hindus regard it as a symbolic way to start afresh with the new season, and lay bad relationships to rest.

Anyone wanting to attend should dress in white, with the idea of creating the effect of leaving the hotel as a rainbow.

The throwing of natural powders will result in a bright, visual celebration for all guests who will also enjoy a banquet of Indian street food.

Residents in praise for Summertown nursing home

A SUMMERTOWN nursing home has been awarded top marks for care by its own residents.

One hundred per cent of residents rated the overall service at Bupa's Green Gates Nursing Home, on Hernes Crescent, as 'excellent' or 'very good'.

The results are from an annual independent survey which provides those living in care homes to comment on the quality of the services provided.

Margo Wilcock, home manager at Bupa's Green Gates Nursing Home, said she was delighted with the feedback.

"Our residents are the best judges of the care we provide and I'm delighted to see such a positive response from them," she said.

"Ensuring our residents' wellbeing is our absolute priority so knowing we're making so many residents happy with the individual care we provide is extremely rewarding.

"This result is a tribute to our hard-working and committed people and the excellent care they provide."

Cops - Bicester vehicle thefts may be linked

POLICE believe a spate of thefts from vehicles in and around Bicester may be linked.

There have been seven offences between March 2 - 5 in the Launton and Upper Arncott area.

Tools are among the most common items stolen while police are reminding the public to take all personal items with them when leaving their car.

PC Chris Kidd, said: "We believe that these offences may be linked but we are actively pursuing all lines of enquiries.

"I would like to remind residents the importance of removing tools from vehicles overnight and not displaying any valuable items.

"Please ensure that all doors and windows are securely locked.

"Also consider security marking your tools, as this helps us to identify them if stolen and reunite them with their rightful owners.

"We are actively patrolling the area to prevent further offences."

A mobile phone and keys were stolen from a vehicle on West End, Launton, between 10.30am on March 2 and 1pm on March 3.

By **Jack Johnson**

Between 2pm and 6.20am, across the same days, tools were stolen from a car on Ancil Avenue, Launton.

Tools were also taken from a vehicle on Sycamore Road, Launton, between 9pm on March 2 and 7am on March 3

Charity dinner raises £3,000

THAME'S town mayor's charity dinner raised over £3,000 as Cllr Peter Lambert's term of office nears an end.

Just under 150 guests attended the fundraising dinner at The Oxfordshire, with proceeds going to SAFARI and Thame Players.

Attendees enjoyed a three course meal while harpist, Sarah Goss, provided musical accompaniment and magician, Sylar, worked his magic.

Cllr Lambert, who completes his term of office in May, spoke of how he has "thoroughly enjoyed" his time as mayor.

He also thanked those who persuaded him to stay in Thame and for all the words of encouragement he has received.

Council's workers do give a hoot!

WHEN two council workers were carrying out a simple litter pick along the A40 the last thing they expected was to find an injured owl.

The two men, from Cherwell District Council's environmental services team, were working near the A34 flyover when they discovered the distressed barn owl on a flooded roadside verge.

The pair made attempts to capture the bird but when it fled into a nearby ditch the officers contacted the RSPCA who rescued the owl with a net.

Cherwell's street cleansing supervisor Paul Devine said: "Our officers are used to finding unusual items on litter picks but an injured owl was a first.

"The bird had suffered an obvious injury to its wing which meant it was unable to fly or do anything more than hobble.

"Had they left it, there is a good chance it would have wandered into the traffic which could have had serious consequence for both the bird and any motorists swerving to avoid it at speed."

The bird was taken to a RSPCA medical centre where it received treatment for a fractured wing.

Festivals to boast best in business

- Jools Holland and (above) the Jacksons

WITH spring just around the corner, festival season is fast approaching and some of the biggest names in music are flocking to the county this summer.

Set on Alex James' idyllic Cotswolds farm near Kingham, The Big Feastival (August 29-31) is no different with music, food and fun for the family.

By **Jack Johnson**
jack@taylornewspapers.co.uk

"It's going to be one hell of a party!," says Blur bassist Alex, who hosts the feastival alongside TV chef Jamie Oliver.

• Joss Stone

British DJ Fatboy Slim, jazz singer-songwriter Jamie Cullum and American pop star Kelis headline this year's event.

Of course, The Big Feastival is just one of many events this summer.

The Cornbury Music Festival (July 4-6), based at the Great Tew Estate, near Chipping Norton, celebrated its 10th anniversary last year and hosts a line-up full of famous names.

Jools Holland, with special guests, including ex Spice Girl Melanie C and Soft Cell's Marc Almond, is joined by soft rock outfit The Feeling, songstress Sophie Ellis Bextor, indie-poppers Scouting for Girls and last year's X Factor winner Sam Bailey.

"Once again I think we've managed to get a brilliant cross-section of great music," said Cornbury music festival director, Hugh Phillimore.

"With Cornbury's unique family atmosphere, it's going to be a lot of fun."

Over at the Henley Festival (July 9-13), The Jacksons, Joss Stone and Burt Bacharach headline.

Siblings Jackie, Jermaine, Marlon, and Tito can't wait to bring their magic to Henley.

"We are thrilled and honoured to be performing at the historic Henley Festival," they said.

"We look forward to putting on a great and memorable show for all of the attendees."

And at Hill Farm, Steventon, Truck (July 18-19) is back for another year with White Lies, The Cribs, Stornoway and Kids In Glass Houses among the performers.

The Waterboys lead the line-up at Fairport's Cropredy Convention (August 7 - 9), which heralds itself as 'Britain's friendliest music festival'.

Steve Hackett from Genesis and The Australian Pink Floyd Show also lead the bill.

Burt Bacharach also headlines at Wilderness (August 7-10) and is joined by Submotion Orchestra who will bring their combination of dubstep, soul and jazz to the Cornbury Park estate.

Meanwhile, the dates have been announced for the Charlbury Riverside Festival (July 26-27) and Wallingford's BunkFest (August 29-31).

Tunnels looks to help teens with learning difficulties

A MULTI-SENSORY theatre production for teenagers with profound learning disabilities comes to Didcot's Cornerstone theatre this evening.

By **Adam Flinn**
adam@taylornewspapers.co.uk

Tunnels has been created by theatre company Frozen Light specifically for audiences with multiple learning disabilities, and it takes the audience on an interactive and multi-sensory journey.

The story follows Lana as she searches for the light that has disappeared from her city, and is enticed into the tunnels by the mysterious Cardini.

Each tunnel appears different from its smell, texture and light, as Lana tries to find her way back up to the city.

It has been co-created by Frozen Light directors Amber Onat Gregory and Lucy Garland, and have utilised the talents of Al Watts to create the original score.

Lucy said: "In the last year we have received so much support, enabling us to create a high quality theatre production for an audience who do not usually have access to the theatre.

Amber added: "This national tour is giving families the opportunity to come to the theatre together for a show that the whole family can enjoy. Not only that, it is also appropriate for a teenager with profound and multiple learning disabilities. Tunnels is an exciting adventure where Lana searches for the light that has mysteriously disappeared from her city.

"Leaving the place that she calls home, Lana travels deep below the city into an underground world filled with music, smells and curious characters."

Cornerstone director Emma Dolman said: "We're very excited to be working with Frozen Light, and at Cornerstone we are passionate about providing accessible theatre for everyone in our local community.

"We are keen to develop our programme of accessible activities for all, be they performances, participation or social opportunities."

For show times and ticket costs, contact the Cornerstone box office on 01235 515144.

Mothers Day
March 30th

Give Mum a morning to savour

By **Diana Pilkington**

IT MAY be the one time of year when mothers get to be waited on by their offspring, so why not start Mothering Sunday as you mean to go on with a lovingly prepared brunch or breakfast in bed?

With Dad taking charge in the kitchen, there are plenty of easy chores the little ones can tackle while Mum gets a well-deserved lie-in. And learning how to cook could have a positive impact on fussy young eaters as well.

Children's cookery expert Annabel Karmel says: "Tasks such as cracking eggs and stirring are well within the capabilities of a young child and it is amazing how being involved in the planning and preparation of a meal can stimulate a child's appetite."

When it comes to cooking with your kids, Karmel recommends picking recipes that lead to quick results as children have short attention spans.

"To start with, choose recipes that are simple enough for your child to make without too much help from you, then you can build up a repertoire of recipes they feel confident doing by themselves," she says.

Karmel's safety tips for cooking with kids

- Always make sure children wash their hands before doing any cooking.
- Never use wet hands to turn on a switch or pull out a plug.
- If they need to stand on a chair to reach the work surface, make sure it's very stable.
- Explain about heat and the dangers of steam, hot pans and hobs.

Now try one of these these yummy brunch recipes to make mum smile...

Devilled mushrooms

(Serves 1)
25g butter
150g chestnut mushrooms, thinly sliced
2-3 drops Worcestershire sauce
¬°tsp Dijon mustard
3tbsp creme fraiche (low fat is fine)
1 muffin, split and toasted
1tsp fresh chopped parsley (optional)

Melt half the butter in a medium frying pan. Add the mushrooms and saute over a high heat for 6-8 minutes until the mushrooms are golden. Stir in the Worcestershire sauce and mustard. Remove from the heat and stir in the creme fraiche.

Sit the muffin on a plate, spread with the remaining butter toasted side up, and spoon over the mushrooms. You can sprinkle with a little choppedparsley if you like.

Breakfast bear pancakes

(Serves 1)
125g self-raising flour
1 egg
125ml milk
4tbsp creme fraiche
1tsp vanilla extract
3tbsp maple syrup
20g butter
2tbsp vegetable oil
Fresh fruit, to serve (optional)

Chop up your fruit - thinking about what might work for your pancake bear's ears (banana), eyes (blueberries), arms (strawberries) and feet (kiwi) - be as creative as you like!

Put the flour in a large bowl. Whisk together the egg, milk, creme fraiche, vanilla, maple syrup and a pinch of salt. Add this mixture to the flour and whisk to make a batter (there may be a few small lumps, but don't worry).

Melt the butter in a large non-stick frying pan and tip it into a small bowl.

Mix 1 tablespoon of the melted butter into the batter. Use the rest to grease the pan. Drop 2 tablespoons of batter into the frying pan and cook the pancake for 2 minutes until brown underneath and just set on top (with small bubbles).

Flip over and cook for a further 1-2 minutes until golden and cooked through.

Lay one pancake slightly over the other - decide which will be the head and which will make the body and decorate with your fruit.

Set the controls for a Pink Floyd tribute night

OXFORD'S New Theatre is host to the Australian Pink Floyd Show on Sunday, for two-and-a-half hours of live music featuring songs from the renowned group.

By **Adam Flinn**
adam@taylornewspapers.co.uk

This year's 'Set the Controls' tour comes more than 20 years since the tribute act started out, and will see performances from the iconic albums 'The Dark Side of the Moon', 'Wish You were Here' and 'The Division Bell'.

The show in Oxford is the last date of the UK tour, where they aim to emulate the atmosphere of a live Pink Floyd gig. Bass player and vocalist Colin Wilson said: "What we've done this year is open up a forum on our website for the audience to be able to log in and choose their favourite two songs from each of the albums.

"It's because for years we've had people requesting songs and trying to get in touch with us so we thought we'll make more of an easy way for the audience to feel involved.

"We'll be doing the most popular songs from those albums on the night, and it's actually worked really well so far. And apart from that, it's also the best Pink Floyd music with all the bells and whistles you'd expect with a Pink Floyd concert."

Aussie Floyd have sold over three million concert tickets in their own right, and remain popular with Pink Floyd fans and their own audiences alike.

"Pink Floyd's music has got so many depths to it," Colin added. "There are lots of different moods and atmospheres they were able to create.

"They very rarely did two-and-a-half minute pop songs, so a lot of the songs are quite long and involved and had different movements.

"It's great fun and very challenging to play, and you can really get absorbed in the music."

Tickets start from £32.40, and the show begins at 7pm. For more details, go to www.newtheatreoxford.org.uk or call 0844 871 3020.

Mature and more refined MINI is still highly enjoyable to drive

Maintaining the fun factor

REVIEW: BMW MINI

By **Iain Dooley**

THIRD time is set to be the charm for BMW as it launches a bigger, better MINI with a greater accent on economy, performance and a premium feel.

It might have grown slightly but there's no mistaking the oversize headlights and signature grille - it can only be a MINI.

That's all that's familiar about BMW's third-generation hatchback, though. Underneath the iconic shape lies an all-new platform, engines and transmissions plus an increased focus on delivering an engaging yet refined driving experience.

And while the new car has grown slightly in all dimensions - it's 98mm longer, 44mm wider and 28mm longer between the wheels - the basic proportions and design cues remain.

Inside the cabin the car's trademark oversize central speedometer has been re-purposed to house the infotainment screen and the traditional key has been ditched in favour of a funky backlit engine start toggle switch.

BMW has blessed the car with (standard and cost-option) technology more commonly found in 'grown-up' cars, such as a neat head-up display, parking camera and a self park function, user selectable electronic damper modes, DAB radio, intelligent cruise control and traffic sign recognition.

The good news extends rewards, as rear seat passengers now have more room - an old Mini bugbear - and the boot is a sensible size.

It's still a bit of squeeze to get in the back but once installed it's noticeably more comfortable, while folding the rear seats further enhances the car's versatility.

Cooper and go-faster Cooper S models make up the range at launch, with the former utilising BMW's new 1.5-litre three-pot petrol motor and the latter a new 2.0-litre petrol unit. All engines are now turbocharged, and significant economy and performance gains have been made across the board.

In popular Cooper guise, the car's new motor puts out a useful 134 horsepower enabling the zero to 62mph sprint in a brisk 7.9 seconds.

Also, power comes in much lower down the rev range, saving you much stirring of the admittedly slick manual gear shift.

And the best news? You can have all this performance while enjoying an official combined economy figure of 62.8mpg and a tax-dodging 105g/km CO2 emissions rating.

It's the same cake-and-eat-it scenario out on the road. The MINI Cooper delivers an engaging driving experience, while at the same time maintaining a high level of comfort and refinement across a wide range of road conditions.

The car's electric power steering gives nothing away in terms of feel and does much to contribute to the previous car's 'go kart-like' sensation that BMW is so keen to maintain, while engine response is right up there with dedicated sports cars.

The three-pot turbo motor even sounds the part, emitting a gruff, purposeful note when you're pressing on. But it's the car's ride and grip levels that impress most. The combination will flatter less experienced drivers

Scotlands Ash Garage wins garage of the year 2014

DIDCOT based garage business Scotlands Ash Garage has won "Garage of the Year" at the Car & Accessory Trader (CAT) magazine 2014 awards.

The independent garage emerged victorious following a very competitive voting campaign, which saw the garage take to social media and local press to canvass votes.

The CAT awards are one of the largest of their kind in the automotive industry and Scotlands Ash Garage was up against two other garages throughout the UK.

Scotlands Ash Garage proprietor, Peter Welch, said: "It's incredible. We're a small business but we work hard to raise the profile of good car servicing and repair across Oxfordshire. To have so many people from the local area cast their vote for us is amazing and I'd like to say thanks to all of them for their support. And, to the Scotlands Ash Team, family, friends and customers, who have been with us on our journey, we thank them enormously."

In addition to Peter, the Scotlands Ash Team comprises of trained mechanics Steve Moxon, Nathan Edwards, Jack Jones, Stuart Florey and administrative support Gillian Hyde.

The CAT awards ceremony took place on 7 February at Twickenham Rugby Stadium, West London. CAT magazine is part of media giant Haymarket Media Group. Car & Accessory Trader is a leading business magazine aimed at the UK automotive aftermarket. Launched in 1979, CAT is widely regarded as the aftermarket's most reliable source of information, business advice, news and views.

Lewis praises players after Cheltenham draw

By James Booker
jamesb@taylornewspapers.co.uk

CARETAKER boss Mickey Lewis was delighted with his side's display against Cheltenham on Tuesday night, despite being held to a 1-1 draw at the Kassam.

Ryan Williams' fine solo effort gave the U's a deserved lead with 15 minutes to go.

But a cruel blow saw a ball into the U's box inadvertently flick up off substitute Jamie Cureton's shinpad and over the helpless Ryan Clarke with six minutes to go.

In his pre-match notes, Lewis had called for the right response to the defeat against Burton on Saturday, and was pleased with what the players gave him.

"I'm delighted with the performance to be honest. I thought we carried on from the other night," he said.

"Give Cheltenham a bit of credit – they had a couple of great blocks on the line – we should win the game, but I am delighted with the performance.

"You do need a bit of luck, we've never [mentioned] about having bad luck in [the last few] games, but Cheltenham did have a bit of fortune with their goal. He's lucky, no doubt about it. But even after that, we had chances to win it. Frustrated, but really pleased with the way we played."

James Constable started on the left of midfield, and looked a danger coming in off the flank, winning a lot of aerial battles and turning out a typically committed and robust display.

Meanwhile, Josh Ruffels and Johnny Mullins occupied the middle of the park in place of the more familiar pairing of Danny Rose and loanee Nicky Wroe. Goalscorer Williams, who has just penned a new deal with parent club Fulham, was as lively as ever on the right, and crowned his man-of-the-match display by winning the ball 30 yards from goal, keeping his head and shooting low across Robins' keeper Scott Brown.

"He's a real threat going forward – he takes the ball for a run, and he's a clever player as well. At the moment, he's playing his heart out for Oxford United, and we're happy to have him."

The draw leaves the U's winless in five and facing a trip to league leaders Chesterfield on Saturday.

Sport Bites

Stars are back

OXFORD City Stars return to action this weekend as they welcome Cardiff Devils 2 to Oxpens.

Stars, who are second in the National Ice Hockey League South 2, are three points behind leaders Slough Jets. This weekend's opponents, Cardiff, are seventh in the league table.

Crunch game

A WIN this weekend against Sevenoaks Men's 1s will secure Oxford Hawks' Premier Division 1 future.

Hawks were beaten 3-2 by Milton Keynes Men's 1s last weekend but only a point is needed for Hawks to ensure their safety.

They are currently eighth in the table, a place and six points above safety, with three matches remaining.

Wantage win

JIMMY Deabill's 25th minute header earned Wantage Town a 1-0 win at Wootton Bassett Town on Tuesday night.

The Alfredians are currently four points behind Hellenic Premier Division leaders Ardley United, with two games in hand.

Wantage are in action this evening as they travel to Maidenhead United in the quarters of 'Flying Press' Hellenic Floodlit Cup.

City prove to be too much for battling Banbury

OXFORD City needed extra-time to see off plucky Banbury United in the quarter finals of the Oxfordshire senior cup on Tuesday night.

Mike Ford's side ran out eventual 6-2 winners after going into the additional period at 2-2.

Indeed, it could so easily have been a different story, with the visitors taking the lead twice in the match.

Conor Collins put the north Oxfordshire side in front after 22 minutes with a well-taken lob, but Mike Symonds' header 14 minutes later levelled proceedings.

Undeterred, Banbury rallied and took the lead early in the second half through Adeyinka Talabi, but Symonds equalised once more with a quarter of the game to go.

And City proved to be too strong for the visitors as the game headed into extra time.

Goals from Declan Benjamin, Paul Stonehouse and Aky Chrediy followed, before Symonds capped a fine individual display with his hat-trick.

Smith is raring to go

BRADLEY Smith is feeling positive as he prepares to kick-start his second season in MotoGP in a week's time.

The 23-year-old finished 10th in his rookie year and has had an encouraging pre-season with the Monster Yamaha Tech3 team.

Smith was third fastest in the final pre-season test in Qatar and is looking forward to returning to the Losail circuit for the opening round next weekend.

"Overall, I am really pleased with how the winter went for us," he said.

"I am feeling happy with what was achieved here (Qatar) and this means that we are definitely hitting the ground running.

"The next step is just some slight fine tuning. The desert is always a bit unpredictable but we are prepared. We have done a lot of very good laps, and I am really excited for round one."

LOTS OF PLUSES FOR CONCANNON

Boss hails brave Diddy

By Jack Johnson
jack@taylornewspapers.co.uk

IAN Concannon is targeting putting an end to Merthyr Town's unbeaten home record when Didcot Town travel to the league leaders this Saturday.

Merthyr have a six-point lead at the top of Division One South & West and the best home record in the league.

The Martyrs have won 15 of their 17 games at Penydarren Park, drawing only two.

However, Didcot will be spirited by their recent away form while Ryan Prosser's 92nd minute penalty was the only difference when Merthyr snatched a 4-3 win at the Loop Meadow Stadium in November.

Joint manager Concannon is looking forward to this Saturday's game, which will be played on a 3G pitch.

"We will go down there and give it a right good go," he said.

"We've got a lot of players in our team that work and are used to playing on 3G pitches, so we will go down there full of confidence.

"They haven't lost at home yet and who's to say that Saturday won't be the first time."

Diddy's poor home form continued last weekend as they were beaten 1-0 by play-off hopefuls Tiverton Town.

Although Concannon and Jamie Heapy's men have not won at Loop Meadow since Boxing Day, there were lots of positives to take out of the defeat.

Ryan Richards' third minute goal was all that separated the two sides and Concannon was pleased with the performance.

"Did we deserve a draw? Yeah, I think we did," he said.

"Our overall general play was very good and it was a joy to watch.

"Credit to the boys for producing that type of performance.

"It was, without a shadow of a doubt, our best performance at home since we've been in charge. I would even put it above Clevedon (a 6-2 win)."

Goalkeeper James Foster returns this weekend but is not guaranteed a start with Alex Williams impressing during his absence.

Meanwhile, Sam Parish (illness), Tom Franklin (leg), Germaine Ofori (knee), Kameron Abassi (calf) and Lance Williams (ankle) are doubts.
